

Home Electric

Himel
Reliable made affordable

About Himel

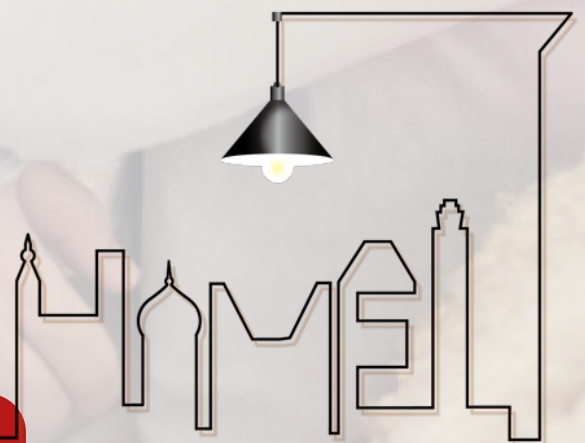

Himel is a multinational manufacturer and provider of electrical products that successfully combines global expertise with local knowledge.

We focus on long-term partnerships with customers and offer products that meet real needs and ensure adequate compatibility for common usage.

All our products are the best possible combination of affordability and reliability, which means we provide great products at attractive costs, and ensure complete originality of all components for safe installation and usage

Himel, reliable made affordable

***PROBABLY THE BEST SECRET
OF
ELECTRICIANS!***

Himel Home Electric

At its core, Himel strives for best in class quality and exceptional design, at the right price.

We are setting the perfect products to last long thanks to future proof designs.

Meeting all latest demand in consumer technology.

Made from durable materials, here to last.

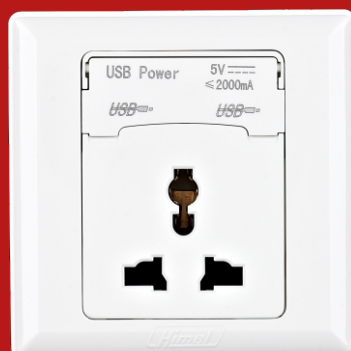

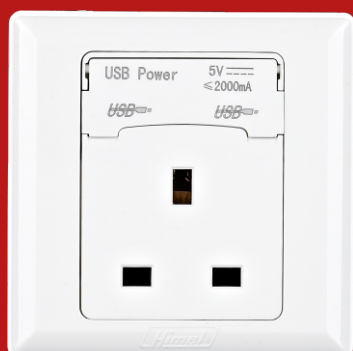

What's new

Himel USB Chargers

Available in Advanced, Style and Click Series

The socket of tomorrow, today!

Suitable for smartphone, tablets, cameras, power banks, USB table fans, USB table lamps, USB speakers etc.

Perfect for retrofit

Easy to install, can replace existing sockets without any troubles

Specifications

Output voltage: 5V

Compatibility: with most of the smartphones and tablets

■ WIRING DEVICES

ADVANCED

Robust light switches and sockets for every application.

STYLE

Discover minimum design with maximum impact.

MODERN

Aesthetic design with Turkish quality

CLICK

The best secret of electricians!

CLICK ECO

Timeless Design

FLOOR

Solving the needs of the buildings of today and tomorrow.

■ ACCESSORIES

CABLE TIES

Self-locking cable ties. The unmissable product for electricians

ELECTRICIAN TOOLS

Enhance the way you work.

EXTENSION SOCKETS

Designed for your comfort. Connect safely all devices and equipment.

Specifications

Range	Click Eco Series
Product Type	Light Switches and Sockets
Device Short Name	HWDCE
Device Application	Electrical Circuit Control
Device Presentation	Plate and Module separated
Actuator	Rocker
Number of Gang	Up to 3
Color Tint	White
Material	ABS
Device Mounting	Flush
Mounting Support	Wall Mounted
Fixing Mode	Screw-type
Ratings	10A & 15A, 250V for Switch category; 10A, 15A, 20A, 125V / 250V for Socket Category
Standard	IEC
