Advanced Series

Robust Light Switches and Sockets for every application

The new Advanced Series is characterized by its smooth shape. Its modern and discrete design will fit in any home, for every applications.

HWDA2SM

HWDA13S

At its core, Himel strives for best in class quality and exceptional design, at the right price.

From one gang switch to electrical socket, we are setting the perfect product to last long thanks to a future proof design.

Ideal for new construction and retrofit projects.

Meeting all latest demand in consumer technology

Made from durable materials, here to last.

Maximum Performance

For every application

Advanced Series is available in more than 30 functionalities. It will fit in any home, for every application.

Exceptional Design

Our products come in two layers to offer a screw-less design which fits in every modern home.

With a range of five different finishes, we are making sure that everyone will find a finish to their taste.

Best in class Quality

Advanced switches and sockets are made in high quality Polycarbonate and are virtually unbreakable. They are tested to comply with the IEC safety standards, ensuring maximum safety and reliability.

Practical

Dual piece product solution.

Install the functional module first, finish the painting work and clip-on the front plate individually – our products are perfectly think to achieve the perfect finish after interior decoration by eliminating any damage during the fit out process.

ADVANCED SERIES

Application Example

Dressing:

Flush Switches: Lights up, anywhere

Switched Socket with Neon: get power access, everywhere at home

Sensitive Time Switch: Will make sure the light is on for a short time, no need to think about switching off

Bathroom:

Flush Switches: Lights up, anywhere

Switched Socket with Neon: get power access, everywhere at home

Double Pole Switches: Double safety. Isolate your devices completely from the installation.

Kitchen:

Flush Switches: Lights up, anywhere

Switched Socket with Neon: get power access, everywhere at home

Double Pole Switches: Double safety. Isolate your devices completely from the installation. A must for your kitchen.

Bedroom:

Curtain Switch: Time for a wake up scene? Done in a few seconds with our curtain switch

Flush Switches: Lights up, anywhere

Light Dimmer: Create an ambient lighting, save energy

Switched Socket with Neon: get power access, everywhere at home

USB Sockets: Relax and charge all your devices

Living Room:

Curtain Switch: Time for a movie or wake up scene? Done in a few seconds with our curtain switch

Flush Switches: Lights up, anywhere

Light Dimmer: Create an ambient lighting, save energy

Switched Socket with Neon: get power access, everywhere at home

Telecommunication Accessories: access to internet, TV, telephone etc.

ADVANCED SERIES

Specifications

Flush Switches

Advanced Series Switches comply with IEC 60669-1: 2017

VOLTAGE RATING: 250V

CURRENT RATING: 16AX

METHOD OF APPLICATION: Flush Type

TYPE OF TERMINAL: Screw Type

MATERIAL: Rocker, Cover plate and Indicator Cover: PC

Switch base: PA (Polyamide)

Dimmer

Advanced Series Dimmer Switches comply with BS-EN 60669-2-1

VOLTAGE RATING: 230V, 300W, 1000W

METHOD OF APPLICATION: Flush Type

METHOD OF ACTUATING: Rotary

TYPE OF TERMINAL: Screw Type

Sockets Outlets

Advanced Series 13A Socket Outlets comply with BS 1363-2: 2016+ A1:2018

VOLTAGE RATING: 250V

CURRENT RATING: 13A

METHOD OF APPLICATION: Flush Type

TYPE OF TERMINAL: Screw Type

MATERIAL: Front Cover, Plate, Switch Rocker: PC

Base: PA (Polyamide)
