# [Himel]

## **Product data sheet**

**H96TA250WG** 

Characteristics

Panel meter, H96, amperemeter 250 A

#### Main

| Range of product          | Н96     |
|---------------------------|---------|
| Product or component type | Ammeter |

#### Complementary

| Market segment           | Panel builder           |
|--------------------------|-------------------------|
| Type of measurement      | Current                 |
| Network frequency        | 50 Hz                   |
| [In] rated current       | 250 A                   |
| Network number of phases | 3 phases                |
| Signalling function      | Dial pointer indication |
| Measurement current      | 5 A                     |
| Accuracy class           | Class 1.5               |
| Response time            | = 4 s                   |
| Mounting mode            | Flush-mounted           |
| Type of installation     | Indoor installation     |
| Mounting position        | Vertical                |
| Detection angle          | 90°                     |
| Width                    | 96 mm                   |
| Height                   | 96 mm                   |

### **Environment**

| IP degree of protection               | IP42      |
|---------------------------------------|-----------|
| Ambient air temperature for operation | -1045 °C  |
| Ambient air temperature for storage   | -2555 °C  |
| Relative humidity                     | 2580 %    |
| Operating altitude                    | 02000 m   |
| Standards                             | IEC 60051 |

Unit Type of Package 1
PCE
