

## Product data sheet

## HBK02000D9

### Characteristics

Voltage transformer, HBK, 2000 VA, 220V/24V

#### Main

|                               |                     |
|-------------------------------|---------------------|
| Range of product              | HBK                 |
| Product or component type     | Voltage transformer |
| Transformer rated power in VA | 2000 VA             |
| Device application            | Metering            |

#### Complementary

|                        |                                |
|------------------------|--------------------------------|
| Primary voltage        | 220 V                          |
| Secondary voltage      | 24 V                           |
| Input output isolation | Non isolated                   |
| Input/output type      | Single input and single output |
| Type of measurement    | Voltage                        |
| Rated duty             | Uninterrupted                  |

#### Environment

|                                       |               |
|---------------------------------------|---------------|
| IP degree of protection               | IP20          |
| Standards                             | IEC 61558-2-2 |
| Operating altitude                    | 2000 m        |
| Ambient air temperature for operation | -5...40 °C    |
| Relative humidity                     | 0...90 %      |

#### Packing Units

|                              |     |
|------------------------------|-----|
| Unit Type of Package 1       | PCE |
| Number of Units in Package 1 | 1   |

#### Offer Sustainability

|                       |    |
|-----------------------|----|
| Sustainable packaging | No |
|-----------------------|----|
