

## Product data sheet

## HDGL1004J80

### Characteristics

Isolating switch, HDGL, 100AF, 4P, 80 A, with external operation handle

### Main

Range of product	HDGL
Product or component type	Isolating switch
Frame size	100AF
[In] rated current	80 A

### Complementary

Maximum rated voltage	690 V
Network type	AC
Network frequency	50/60 Hz
Operating mode	Manual
Control type	Operating handle
Shaft length	300 mm

### Environment

Standards	IEC 60947-3
Operating altitude	2000 m
Ambient air temperature for operation	-5...45 °C

### Packing Units

Unit Type of Package 1	PCE
Number of Units in Package 1	1
