

Product data sheet

HDGL160031000

Characteristics

Isolating switch, HDGL, 1600AF, 3P, 1000A

Main

Range of product	HDGL
Product or component type	Isolating switch
Frame size	1600AF
[In] rated current	1000 A

Complementary

Maximum rated voltage	690 V
Network type	AC
Network frequency	50/60 Hz
Operating mode	Manual

Environment

Standards	IEC 60947-3
Operating altitude	2000 m
Ambient air temperature for operation	-5...45 °C

Packing Units

Unit Type of Package 1	PCE
Number of Units in Package 1	1
