

Product data sheet

HHEV3701DC160KS2G

Characteristics

HHEV3701 Series, DC EV charger, AC 400V, 50/60Hz, 160KW, Max 200A, 1 GBT Plug&1 CCS2 Plug, without 4G module

Main

Range of product	HHEV3701
[In] rated current	200 A
[Ue] rated operational voltage	400 V
Mounting location	Fixing to the floor
Cable length	5 m
Rated voltage	400 V

Environment

Quantity per set	1
Sale per indivisible quantity	1

Packing Units

Unit Type of Package 1	PCE
Number of Units in Package 1	1

Offer Sustainability

Sustainable packaging	No
