

## Product data sheet

## HLAY5CSP35E

### Characteristics

Empty control station, HLAY5-CS P, 3 holes, yellow cover, for HLAY5E

### Main

|                             |                       |
|-----------------------------|-----------------------|
| Range of product            | HLAY5CS               |
| Control station application | Start-Stop function   |
| Product or component type   | Empty control station |
| Colour of base of enclosure | Black                 |
| Colour of cover             | Yellow                |

### Complementary

|                          |  |
|--------------------------|--|
| Product destination      | For Ø 22 mm control and signalling units |
| Range compatibility      | HLAY5E                                   |
| Product front plate size | 138.5 x 72.5 mm                          |
| Usable depth             | 66.5 mm                                  |
| Number of cut-out        | 3 cut-outs                               |
| Material                 | ABS (acrylonitrile butadiene-styrene)    |
| Cable entry              | 6 knock-outs                             |
| E-commerce address       | Hlay5-control-plastic-station            |

### Environment

|                                       |             |
|---------------------------------------|-------------|
| Ambient air temperature for storage   | -25...70 °C |
| Ambient air temperature for operation | -25...70 °C |

### Packing Units

|                              |     |
|------------------------------|-----|
| Unit Type of Package 1       | PCE |
| Number of Units in Package 1 | 1   |

### Offer Sustainability

|                       |    |
|-----------------------|----|
| Sustainable packaging | No |
|-----------------------|----|
